

The Onionpatch Infant and Day Care Centre is calling you!

If you are energetic and enthusiastic about providing our young people with the best in quality infant and day care, we are looking to fill the following positions:

Head Teacher

This position is responsible for the overall operation of the Centre including financial management; staff supervision; program planning; implementation and evaluation and Bermuda regulatory compliance matters. A Master's Degree or Bachelor's Degree in Early Childhood Education or a related field is required. This person will also be responsible for a preschool classroom.

Deputy Head Teacher

This position is responsible for assisting the Head Teacher with the overall operation of the Centre including financial management; staff supervision; program planning; implementation and evaluation and Bermuda regulatory compliance matters. A Bachelor's Degree in Early Childhood Education or a related field is required. This person will also be responsible for a day care classroom.

Preschool Teacher (3 positions) and Day Care Teacher (5 positions)

All preschool and day care teachers should be:

- 21 years of age
- Have at least 2 years experience working in a day care or similar educational setting
- Be CPR/First Aid certified
- Possess an associate certification from the Bermuda College preferably in early childhood education (or be substantially completed)

Applicant must be willing to:

- Delivering current standards-based literacy and math education
- Provide supervision and guidance of daily activities, field trips and special activities
- Assess the developmental level of the children in their care
- Prepare progress reports and liaise and develop relationships with parents and working in a team setting with flexibility and collaboration with colleagues
- Incorporate our philosophy of developing the whole child, using assessments to guide instruction
- Teaching religious education with Bible component as well as world religion component
- Using technology to aid instruction

Knowledge of Day Care Centre Regulations 1999 as well as the international child care standards (NAEYC) is a bonus.

Salary is commensurate with experience.
